THE CHUCKWAGON TEAM OF COMMODORE ALLEN romped over the finish line Saturday night at the Calgary Stampede to take the world title for the third year in succession. A short time later, Hon. J. J. Bowlen, lieutenant-governor of Alberta, presented the outfit with the Gas Company Trophy which becomes the permanent possession of Allen crew. The outriders, with Commodore Allen and Lieut.-Gov. Bowlen, are shown above (left to right): Oris Lister, Bob Gooch, Hank Willard (driver), Orville Strandquist, Norman Haynes and Mr. Allen and Lieut.-Gov. Bowlen. Gooch, Willard and Strandquist also were with the outfit in 1952 and 1953. —Picture by courtesy The Calgary Herald.

Gets Permanent Possession of Trophy

Commodore Allen Chuckwagon Outfit Wins World Championship Third Time

(By Shirley McNeill in the Calgary Herald)

Commodore Allen of Vulcan captured the chuckwagon world championship for the third year in a row Saturday when four-times champion driver Hank Willard pushed his faithful horses across the finish line a length ahead of the Ed Kroschel outfit from Beiseker.

As the world champion team rounded the bend in the track, the thousands overflowing the Stampede Grandstand stood up to cheer them home.

Commodore Allen, who by the way got his first name Commodore in memory of a relative, said the win made the night "one of the best in my life." In four starts at the Calgary Stampede, his outfit has come out on top of the heap three times. "This was the most important win because it meant we can keep the Gas Company trophy," he said.

Outfits winning the Gas Company's action model of a chuckwagon on three times in a row, become the owners of the trophy. Only other trophy "owner" is Dick Cosgrave of Rosebud, a 10-time world champion of the chuckwagon races.

Consistent good time on the track is the secret of the Allen outfit's success. Their time Saturday night was 1:10.7, just a little behind Ed Kroschel's time of 1:10.2. A late outrider knocked a second off Allen's time while Kroschel came in with a penalty-free race.

"Fastest time of the week for the Allen outfit was 1:09.1 Tuesday night. The time is less than a second over the record chuckwagon time of 1:08.3 made by Johnny Phelan of Red Deer on the final night of the Stampede in 1953.

Slowest time of the week for Commodore Allen was 1:12 made Monday and Thursday nights. His other times were, Wednesday 1:10.2; and Friday, 1:10.7. Only seven penalties were handed out to the Allen team during the entire six days of racing.

Hank Willard of Queenstown has been driving a chuckwagon for "about 10 years." He has been driving at the Calgary Stampede for the past five, and four times has come home the winner. His first championship driving was done in 1951 when he entered an outfit with L. O. Nelson of High River.

He has been farming in the Queenstown district most of his life and grew up with Commodore Allen. "We were raised together in Milo," Commodore Allen said, "and we've always been neighbors in every sense of the word."

The reason Hank Willard is a championship driver can be put down, Mr. Allen believes, to his rigid attention to detail. "You can be sure there will be no loose ends left dangling when he drives the outfit onto the track."

The horses play a pretty important role in making a championship outfit, according to both Mr. Allen and his driver. Lead horses Vito Tinto and Skeeter are "two of the best in the business." Running with Vito Tinto and

Skeeter on the wagon Saturday night were Shanty Row and Sea Ace. The latter thoroughbred is a son of the famous Sea Biscuit.

Hard Cash, Bird on Wing, Am Home and Yankee were the horses ridden Saturday by Allen's outriders, Orville Strandquist, Stettler, Bob Gooch, Queenstown; Norman Haines, Okotoks; and Oris Lister, Red Willow.

Every horse in the chuckwagon business is a "thoroughbred" and many of them are former race track stars. One of the Allen horses, Roll Along, which was stabled Saturday night due to a foot ailment, is the granddaughter of Man O' War.

Mr. Allen said four of his chuckwagon horses had to be destroyed during the week because of injuries. "It's a heartbreaking business. It's something we can't do ourselves. We have to have someone do it for us and then we try to put it out of our minds."

Danger of injury makes it necessary for most outfits to keep about 12 horses in the barn during the six-day chuckwagon meet.

The greatest thing about the races is not the winning but the sportsmanship one finds in it, Mr. Allen said. "Out on the track there are no holds barred—everybody is out to win. But when one outfit loses a horse, or another cracks up, the fellows from every outfit come round to lend whatever they can."

Top money for Commodore Allen Saturday was \$1,100. A total of more than \$11,000 was paid out to the 30 outfits in the week of chuckwagon racing.

Besides the Gas Company Trophy and the cash awards, other prizes won by the champions include the F. R. Webster Memorial trophy, a gold and silver belt buckle; five Biltmore cowboy hats, donated by Biltmore Hats Ltd.; Beatty Washing Machine, donated by P. E. Hume; Dutton-Jennings wagon; Union Milk Ltd. special—4 gold and silver belt buckles (outriders); G.W.G. chuckwagon special, 5 cowboy king jeans.

The chuckwagon winners, along with winning contestants in the other Stampede events, received the congratulations of Lieutenant-Governor J. J. Bowlen who was on hand to present trophies and awards.

Warden-Bjerke Rites at Calgary

On Saturday, June 26 at 3:30 in the afternoon Shirley Dorothy Bjerke, only daughter of Mr. R. M. Bjerke of Stony Plain exchanged marriage vows with Ralph Easton Warden, son of Mrs. G. I. Warden of Calgary.

The double ring ceremony was performed in McDonald Baptist Church, Edmonton, before the altar made lovely with pink and white peonies and lilacs. Rev. G. Ralph Easter pastor of First Baptist Church, Victoria, B. C. read the marriage rites.

The wedding music was provided by Miss May Sholen, church organist and by the soloist, Robert Warden, brother of the groom. The bride was given in marriage by her uncle, Mr. Robert Winter of Edmonton. She was lovely in a crinoline gown of white nylon tulle over white satin. It featured a lace peplum and waistline jacket fashioned with lily point sleeves. Her veil cascaded from a dainty close-fitting cap embroidered with pink floss and seed pearls. Her cascade white bouquet was of baby mums and stephanotis. The bride's only jewelry was the groom's gift of tiny pearl and brilliant earrings.

Little Miss Kathy Warden, niece of the groom was the flower-girl, preceding the bridesmaids to the altar in a dainty yellow chiffon dress. Her bandeau was of yellow baby mums and she carried a bouquet of coral baby glads. The bride's attendants were Miss Verda Aasen and Miss Mabel Midbo of Edmonton. They were beautifully gowned in green and mauve nylon tulle over taffeta, similarly fashioned with bouffant skirts, short bolera jackets and matching

mitten. Their headdresses were of tulle in butterfly fashion. They carried cascade bouquets of yellow glads.

M. Desmond Wood of Calgary was the best man. The ushers were Mr. Kenneth Towers of Edmonton and Mr. Cecil Warden, brother of the groom.

A reception for 100 guests was held in the banquet room of the Seven Seas. Mr. Wood acted as Master of Ceremonies and Dr. H. Pollock of Edmonton proposed the toast to the bride.

Among the guests from Calgary were: Mrs. G. L. Warden, Misses Frances, Hughena and Eva Warden, Mr. Robert Warden, Mrs. Pauline Bushy and Mrs. Frances Green From Vulcan, Mr. and Mrs. Gordon Gardner and family, Mr. and Mrs. Cecil Warden, Miss Barbara Rudd, Warden Budd and Mr. and Mrs. Lawrence Orchard, also Mr. and Mrs. E. H. Griffin and family of Lethbridge.

For travelling the bride changed to a coral linen dressmaker suit with which she wore white accessories and matched squirrel furs. Her corsage was white stephanotis and sweetheart rosebuds.

After a motor trip to the West Coast Mr. and Mrs. Warden will reside in Calgary. They will be at home at 1801-15 St. West after July 15.

Guest Speaker Anglican Parish

Of special interest to Anglicans was the arrival in Vulcan on Tuesday of this week of the Rev. E. V. Mathew of the Church of Southern India. He will be speaking in the Anglican churches at Vulcan, Carmangay and Lomond during the next two weeks.

To give friends an opportunity of meeting the Rev. Mathew, an "Open House" has been arranged at the Rectory, Thursday, July 15 from 8 to 10 p. m., and the Rev. and Mrs. Reuss hope that many will avail themselves of this opportunity to become personally acquainted with the East Indian guest.

Other Winners At Stampede

Besides the world championship chuckwagon title won by Commodore Allen's outfit, some other wins were made by Stampede contestants entered from the County of Vulcan area, as follows:

Wild Horse Race championship, won by Cliff Nunemaker of Arrowwood. Awarded the Fred Stapel's Trophy—three silver cigarette cases.

Best Dressed Cowboy. Won by Louis Palmer of Vulcan. Cash prize \$40.

Chuckwagon Outriders Special for Lowest Penalties. Won by (tie) the Carl Barrett outfit and the Gooch and Eresman outfit of Arrowwood. A new entry in the chuckwagon races, the Gooch and Eresman outfit made a very creditable showing and placed seventh in the standings.

Install Lutheran Pastor at Lomond

On Sunday, July 11, Norman D. Foster was installed as pastor of the Milo-Enchant Lutheran parish by Dr. Mars A. Dale, president of the Canada District of the Evangelical Lutheran Church. The installation service was held in the Lomond community hall as this was the central point in the parish. Members of the Queenstown congregation at Milo as well as many from the Ibbestad and Zion congregations of Enchant were present. The local people attending the service represented the Lomond Preaching Mission in Lomond.

During the noon hour a delicious lunch was served by the ladies in the dining room adjoining the hall. The ladies of Lomond had very fittingly decorated the hall for the divine service.

At the afternoon session, Dr. Dale brought a challenging message from the word of God dealing with the practical aspect of the Christian life and the obligation of bringing the Gospel to others. During the services two offerings were received to be added to the parsonage fund.

Pastor Foster, who was born at Sexsmith, Alberta is a graduate of the Canadian Lutheran Bible Institute at Camrose, Alberta and Lutheran Theological Seminary, Saskatoon, an affiliated college of the University of Saskatchewan.

In Lomond, where the pastor is to reside, a parsonage and church are under construction.

Jack Altman, stylish southpaw import, hurled a neat three-hit job for Vulcan. He struck out 43 men and walked only two. Willie Wolasko, the Pincher Creek right-hander who has done an excellent pitching job for Carmangay this season, was nicked for nine hits. He fanned six and walked one. Vulcan stepped into the lead with two runs in the fourth inning and added three more in the seventh.

Carmangay holds second spot in the league standing with 10 wins against three losses.

Honor To This District

The Advocate joins in congratulating owner Commodore Allen, driver Hank Willard and out-riders Bob Gooch, Norman Haynes, Orville Strandquist and Oris Lister on winning the world's chuckwagon racing championship for the third consecutive time.

Commodore Allen has spared no effort in building up and maintaining a championship chuckwagon outfit and the Allen-Willard combination were favorites all the way to gain their victory this year and permanent possession of the beautiful Gas Company trophy. The superb driving of colorful Hank Willard is always a thrill to watch and the way the grandstand crowd surged to its feet Saturday night to urge him on as he guided his outfit around the last turn was a real tribute.

Vulcan has gained a lot of good publicity by way of its champion chuckwagon outfit. Probably some public recognition of this fact will be made at a later date but right now we'd like to say to Commodore, Hank and the boys, "Congratulations. We're proud of you."

Sermon on Soil Conservation

"Hordes of gullies now remind us we should build our lands to stay; And, departing, leave behind us fields that have not washed away. When our boys assume the mortgage on the land that's had our toll, They'll not have to ask the question, 'Here's the farm, but where's the soil.'"

WATCH IT, FRIEND!

Watch it, Friend! Don't take a chance,
A grass fire is wild as Hell.
Prairie acres will flame and dance,
Don't sign your own death knell.
A story so old and yet ever new:
"Don't burn up our grass, old pal."
Cows, turn it into good beef stew
For you, your kids and your gal.

Watch it, Friend! With grass aflame
Your human help may be nil
On miles of prairie (grass) not grain!
Where cows are eating their fill,
See those little calves on dainty feet,
With the mother-cows grazing near.
Watch it, Pal! And you may eat
A little higher up — on the steer.

Watch it, Friend! This grassy sod,
Untouched by the harrow and plow;
Planted here by the hand of God;
'Tis ours with a little 'know-how'.
No need of a thousand-dollar machine
To harvest God's grassland crop.
Cows are grazing down, a ravine,
May they graze — and never stop.

Watch it, Friend! Don't barter away
The best grassland in the West.
Every night I will kneel and pray,
(Ere I settle down to rest)
That everyone who loves good meat
Will cherish the grass that is here.
Then someday, Pal, I'm sure you will eat
A little higher up — on the steer.

Monkman - Kanngiesser

The United Church, Mirror, Alta. was attractively decorated with gladioli, lilacs and fern recently for a pretty afternoon wedding in which Miss Florence Irene Kanngiesser became the bride of Mr. William James Monkman of Calgary. Flanked on either side by tapers and bowls of lilacs, a three-tiered wedding cake imbedded in pink tulle with sprays of lilacs, graced the head table while bowls of lilacs adorned the other tables also.

Mr. Petherbridge of Stettler proposed the toast to the bride, and telegrams of congratulations were read by the best man.

To receive, the bride's mother wore an afternoon dress of crepe in a rose-blossom shade, fashioned with a lace bodice, and lace panels in the skirt. Her hat was a crocheted straw in a deep cream shade and she wore Talisman roses on corsage. The groom's mother wore a mauve nylon sheer model with lace bolero and accessories to tone. Yellow roses were pinned at her shoulder.

For a wedding trip to the United States and the coast the bride wore a blue knitted suit with navy and pink accessories. Her corset was of white lace and her gown was of white tulle with pink and white streamers. Each carried a colonial bouquet of pink carnations and

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

The time of year for the appearance of Sow Thistle is again close at hand, and we would like to draw the attention of everyone to this menace. Many have been spraying their roadsides with an application of 2,4-D at the time of spraying the crop and this is a tremendous benefit for the destruction of all weeds along the road including Canada Thistle. While one application of this chemical is not enough to eradicate Canada or Sow Thistle completely it certainly sets it back and one or two more applications with a strong solution of 2,4-D will hold them in check for another year. For a permanent job of eradication of these weeds, we have an amply supply of Atlacide on hand, and your Service Board has a special deal to farmers for roadside work and we would like to have anyone come in and talk over their

weed problems with the writer and we will do our best to assist with this work. If you have not got the right kind of sprayer for spot work we may be able to loan you one of our portable machines. A boom sprayer can also be adjusted for this work by adding a hose and nozzle and shutting off the other part.

During the weed season I will be out a great part of the time and if anyone wishes to see me in the evening regarding these problems I will be glad to meet them during those evening hours.

Sow Thistle can be found now in ditches and fields although not yet in blossom. My house phone number is 271.

He's changing the nation's landscape

You may see the result of what he is doing in the city's changing skyline — or out where the corn grows tall ... in the mushrooming suburbs — or in the new look of Main Street in a mellow old town.

Where many a vacant lot once stood, he helps fill it with a fine new school. Where you used to see a structure that was an eyesore you may now see a new apartment house, store or other building he played a role in providing.

Thanks in part to him, many houses rise here and there, or row on row, in community after community. New black ribbons of asphalt tie town to town. Somewhere, a new bridge is built.

New industrial plants, too, are sometimes the by-products of his helping hand. Perhaps one of them has provided you with a job. Who is he?

He represents all the millions of life insurance policyholders in Canada. And it's money from their premiums, which life insurance companies invest for them, that makes possible such improvements as these throughout the nation.

So, if you are a life insurance policyholder building security for your family and yourself, you're also helping to build a better Canada!

AT YOUR SERVICE!

A trained life underwriter, representing one of the more than 50 Canadian, British and United States life insurance companies in Canada, will gladly help you plan for your family's security and your own needs in later years. Rely on him!

ALASKA'S GIANT Kodiak bear plays rough. But the people who run the Bronx Zoo have found the perfect toy for him. It's an aluminum beer barrel, which in his playful moments he can bang, bounce and generally maltreat without serious damage. Having seen barrels (filled) being tossed around trucks, we can understand why breweries have turned to these rugged, attractive containers. Another reason, of course, is that aluminum is an excellent protector for food and drink, preserving their purity and flavour indefinitely. Aluminum Company of Canada, Ltd. (Alcan).

Baseball

The annual Lions Baseball Tournament was held on Thursday and Friday with eight teams participating. On Thursday Willie Wolasko pitched the Carmanagay Eagles to a 4-3 victory over Vauxhall. Granum White Sox trimmed Picture Butte 3-1; Champion Red Sox trimmed Lomond 13-5 and Lethbridge defeated Vulcan 5-3. All were seven man games.

On Friday the four winning teams battled it out for prize money, and Hubert Glenn, huge veteran negro star with the Claret Holm Meteors, switched uniforms and sparked the Carmanagay Eagles to first money with a 3-2 triumph in a thrilling game over the Lethbridge Cubs in the final. In the semi-finals, Carmanagay ousted Champion 13-6 and Lethbridge gained a 6-3 victory over Granum. Excepting for some high winds on Friday, good weather was enjoyed and the fans reported very good baseball, with the final between Lethbridge and Carmanagay being exceptionally good.

In regular league play, the second place Eagles met the tail-end Nanton Palominos on Wednesday night and came out on top to the tune of 9-4. They appeared headed for their fourth defeat when they were trailing 2-0 going into the seventh, but picked up eight runs, and another in the eighth. Frank Mayor hit a double and a single and Wolasko, White, Clarence and Glen Rhodes each picked up a pair of base knocks, all singles.

On Sunday the Vulcan Elks white-washed the Eagles with a 5-0 score, but the Eagles still retained their second place in the league as Granum trimmed the Lethbridge Cubs.

Step Lively to Bigger Windrowed-Crop Profits

Use a **BIG-CAPACITY JOHN DEERE No. 55 COMBINE**

The hungry hum of the No. 55 Self-Propelled sings out two important messages. First, there's a lot of work being done. Second, there is plenty of capacity in every unit to handle the heavy crops, the heavy windrows, without overloading, loss of grain, or slipshod cleaning.

In addition to the big daily capacity and steady good work, the No. 55 gives you unmatched comfort and ease of operation... hydraulic selective ground speed control... balanced weight on all four wheels... double-ram platform control... big, auger-unloading grain tank that empties in 1-1/2 minutes, standing still or on the go, and many other outstanding advantages.

We will be glad to give you complete information on the No. 55; call us or drop in any time you're in town.

Steeves - Deal

A beautiful summer wedding was solemnized in the Champion United Church on Thursday, July 8, when Vivian Ruth, only daughter of Mr. and Mrs. David Deal exchanged marriage vows in a double ring ceremony with Donald Ralph, son of Mr. and Mrs. J. G. Steeves of Champion. The bride entering the church on the arm of her father, wore a full length gown of satin and lace with pleated nylon insets in the skirt. Her full length veil fell from a dainty cap. She carried a white Bible covered with red roses and white satin ribbon. Her only jewellery was a rhinestone necklace, a gift of the groom. The maid of honor, Sheila Davidson, cousin of the bride, wore a gown fashioned of pink net over taffeta, with lace bolero and carried a nosegay of violets and carnations. The bridesmaids, Ruby McLeod and Janet Steeves wore matching dresses of blue net over taffeta and lace boleros and their bouquets were of roses, peonies and carnations fashioned in nosegays.

The groom was attended by his brother, Richard. The guests were ushered to their places by Elmer Deal and Tom Ruggles.

During the signing of the register Mrs. Wm. Christensen sang

"Because."

The reception for 140 guests was held in the Dining Room of the Church which was decorated in pink and white streamers with a profusion of gladioli and carnations in pink and white. The bride's table was centered with tapers flanking a four-tiered wedding cake. Each layer was supported by swans and beautifully iced.

Mr. and Mrs. Deal and Mr. and Mrs. J. G. Steeves received the guests. Mrs. Deal wore a gown of blue net with white accessories and pink carnation corsage. Mrs. Steeves wore a beige dressmaker suit with white-carnation corsage. During the reception Mrs. Christensen sang "I'll Walk Beside You" and Mr. and Mrs. Harry Ruggles sang "I'll Go With You All the Way." Mrs. A. M. Mahoney was the accompanist.

The young couple left for Great Falls and Yellowstone Park for their honeymoon. The bride chose as her travelling outfit a blue suit matching the groom's. On their return they will reside at the groom's farm east of Champion. Out-of-town guests were from Wetaskiwin, Vulcan, Hoadley, Donalda, Magrath, Ponoka, Vancouver, Havre, Montana, Cowley and Saskatchewan.

Last Tuesday evening the Evangelical Missionary Ladies group gathered together at the home of Mrs. Dorn Ruggles to honor Miss Vivien Deal. The home was beautifully decorated with peonies, pink and white streamers and balloons filled with confetti. After the greetings Mrs. Pauline Mueller presented Vivien with a corsage of pink carnations on behalf of the ladies. The evening was spent playing quiz games and after the games the ladies brought in a gift for Vivien which was a very beautiful table centre piece and several other nice gifts. Vivien thanked the ladies for their kind wishes and gifts. The balloons were punched and Vivien and her mother were showered with confetti, after which the ladies served a lovely luncheon. That brought the lovely evening to a close.

ACCIDENTS DUE TO CARELESSNESS

Carelessness on the part of drivers—not poor driving conditions or mechanical breakdowns—is responsible for 90 percent of all automobile accidents, according to the All Canada Insurance Federation.

Officials of the Federation, which represents more than 200 fire, automobile, and casualty insurance companies, said that most traffic accidents occur on dry

roads and in daylight, or under similarly good driving conditions.

The real reason for most accidents, they said, is a lack of safety responsibility among motorists. During the Second World War, for example, when cars and parts were difficult to obtain, accident rates decreased sharply because motorists were forced to take better care of their cars because they could not get replacements for damaged parts.

When controls were relaxed, accident rates began to increase. The reason, said insurance officials, was that less care was taken in the driving and maintenance of automobiles.

Major causes of accidents—all of them avoidable—are driving on the wrong side of the road, disregard of traffic signals and rules, improper passing of cars and speeding.
